

## Safe driving according to Droso

**Conduite Safe selon Droso**  
**Prévention et Modération**  
**France**  
**2021 > 2023**  
**#AwarenessRaising**

### Objective

To raise awareness of the risks related to drink-driving.

### Description

“Safe driving according to Droso”, is an interactive educational tool which was developed with the support of Prévention et Modération and launched by the Prévention Routière. The 40-minute digital training is aimed at both young drivers and employees. The training is split into five modules and each module includes a video and a quiz. Topics include how to evaluate your alcohol consumption, what a standard drink is, how long it takes to eliminate alcohol from the body, the effects of alcohol on driving and strategies to keep safe.

### Partners

Association Prévention Routière

### Results

Until December 2023, 30 awareness actions were carried out and 1,740 people were made aware of the workshops.
